

Pathways Tasmania Inc. is committed to assisting the homeless and those who have suffered from the impact of addictions. The government funding we receive provides the basics of accommodation and administration. We believe in giving more to the people who come into our care. We believe they deserve to be provided with education and guidance to support their integration back into the community. For this reason, we hold events such as the Gala Dinner and Freedom Ride, we are also excited to introduce "Friends of Pathways".

Friends of Pathways is all about providing you with regular information about the programs and directing your money to be used for specific educational and support programs for residents across our services.
